

Hylands School

An Academy within The Kemnal Academies Trust

19th January 2018

Dear Parents/Carers

'Science Progress Day'
Saturday 27th January
10am until 2pm

On Saturday 27th January I have organised a Science Progress Day for year 11 students. This is to ensure the best possible grades for pupils for their Science exams in May and June.

This session will involve revision technique, practising exam skills and content coverage.

Pupils will need to arrive at school at 10am promptly and must access the site via the Roses gate (Hatfield Grove entrance). Pupils will register with their Science teacher.

Pupils will be dismissed from school at 2pm and should not remain on site for any reason. There will not be access to shops during the day so pupils should bring any food/ drinks they require although the school will provide some snacks and pizza.

If you would like your son/daughter to have the opportunity to attend the session please complete the permission slip and return to Ms Sosin as soon as possible.

Yours sincerely

Ms Sosin
Assistant Headteacher

'Science Progress Day'

Saturday 27th January

10am until 2pm

Student's name.....Tutor Group.....

I give permission for my son/daughter to attend the above mentioned session. **(please tick)**
