Dear Parent/Carer,

London Marathon April 2017

As you all may or may not be aware I have signed up to run the London Marathon in April 2017, I am raising money for the charity Save the Children, my target is £3000.

I have taken assemblies in the last week to inform students that I am participating in this event and my reasons behind it, the key focus of this has been to give them an insight to what the charity does for children in the UK and around the world; developing the idea of small contributions to our community from everyone will lead to a positive environment for all.

The story of what the charity Save the Children do can be found below:

Save the Children believes that every child deserves a future. In the UK and around the world, they give children a healthy start in life, the opportunity to learn and protection from harm. They do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

Save the Children

In the hope of raising enough funds to reach my target I will be participating in events around the school in the next few weeks.

To start the fundraising, last week I ran 10k in the Sixth Form Gym during the student's lunch times, to start my marathon preparations.

Thank you in advance for all your help and generosity towards this cause.

Yours faithfully

Mr T Thorpe
