All Hylands School pupils are required to wear a uniform. School uniform gives pupils a sense of community and can instil pride in the school. It contributes to our ethos and sets an appropriate tone, supporting positive behaviour and discipline. It also supports pupils in learning how to dress appropriately.

Our uniform has been developed in consultation with pupils, parents, local governors and the local community. A full consultation of views and concerns will take place before any amendments are made to this policy.

Cost and quality are carefully considered in deciding on uniform design and uniform suppliers, and we review contract arrangements with suppliers regularly so that parents continue to get value for money.

Sustainability is considered carefully when sourcing all items of compulsory uniform.

Aims

Our uniform is a positive expression of our ethos and values. The wearing of our uniform should encourage pupils to treat each other and the school environment with respect. It should support pupils in learning how to dress in a manner appropriate to the activity being undertaken and the environment they are inhabiting.

Communication with Parents

This policy is available on the school website and prospective parents are sent clear guidance on uniform well in advance of the admission of their child.

Equal Opportunities

We will seek to make appropriate arrangements to reflect the requirements of different religious faiths with regards to acceptable variations of the school uniform. We are sensitive to and demonstrate a respect for the needs of different cultures, races and religions, and their needs are accommodated within this policy.

Representations about uniform requirements

If any parent has any concerns before admission they are very welcome to contact the Headteacher to discuss alternative arrangements.

Health and Safety

Any religious variations to our uniform must still comply with our Health and Safety requirements. Health and Safety is considered in relation to appropriate dress codes for Sixth Formers. To promote a healthy lifestyle, our uniform does not preclude walking or cycling to school. Pupils are permitted to wear reflective materials over their uniform, so that pupils are as visible as possible when walking or cycling to school during the winter months.

Uniform Description

School uniform will be worn whenever pupils are on site at Hylands School. This includes the journey to and from school and on school visits as required.

School Uniform

REGULATION UNIFORM: Official outfitters – Anglia Sports & Schoolwear

All compulsory items of school uniform with the exception of shirts, shoes, socks and tights must be obtained from the official outfitters.

Uniform must be worn by boys and girls from years 7 to 11. Hair styles should be neat and simple, avoiding extremes of fashion and be of a natural colour. A wristwatch may be worn but no other jewellery is permitted except a discreet (silver or gold) religious symbol on a silver or gold chain after securing permission from the school.

Sixth Formers do not wear uniform but they are required to dress appropriately given that they are in a working environment. Please refer to the Sixth Form Dress Code for further information.

Procedure in the event of non-compliance

Non-compliance with the uniform policy is investigated directly case by case. We may impose sanctions for breach of the uniform policy which include being isolated until such time the breach is rectified. However, we have a small stock of uniform which we may lend students for the day.

School Uniform Policy

Persistent flouting of the uniform requirements will be dealt with as a disciplinary matter by the Key Stage Coordinators, Tutors or Pastoral Support Managers. We may ask a pupil to go home to change their clothes. This will be for no longer than is necessary to effect the change of clothing and would only be appropriate where the change could be made quickly and easily. In such cases parents will be notified. We will always bear in mind the age and vulnerability of the child and availability of a parent. If a replacement item of uniform is offered and refused by the student, then the student may be isolated for the day or until such time that they choose to accept the replacement item. Exclusion is not usually an appropriate response to breaches of this policy, except where persistent and defiant.

Non-Uniform Days

From time to time, students are allowed to wear their own clothes or specified non-uniform for trips or charity collections. On these days the following points must be observed:

- Trousers, including jeans, may be worn but they must not contain any holes.
- No clothing should be worn which shows under-garments or cleavage.
- Sleeveless tops, with broad straps which totally cover bra straps, are acceptable.
- Shorts or skirts must come half way down the thigh when sitting.
- When standing upright clothes should not show any bare midriff.

Sixth Form Dress Code

Sixth Form students are regarded as role models for students lower down the school and their standards of dress are an important part of the culture of the Sixth Form. We also believe that we have a responsibility to prepare our students for their working lives.

Therefore, as role models and leaders of our student community, Hylands Sixth Formers are expected to dress and act in a smart and confident manner. This means that they should not wear casual, immodest or revealing clothes, and the aim is that Sixth Formers will have a smart appearance that allows a degree of personal choice. However, as school is a workplace their appearance should reflect that.

General points to consider

Clothing that features logos and slogans are unacceptable – this does not extend to manufacturers names or small logos that are displayed discreetly. Denim clothing in any form is unacceptable (except plain black jeans). Most jewellery is considered acceptable; however, students may be required to remove items if an excessive amount of jewellery is worn.

Because of the constant changes of fashion that take place, it has to remain the right of senior members of staff and the Head of Sixth Form to determine that a particular item of dress is not appropriate for school.

Please note, that students who turn up to school in appropriately dressed will be asked to go home and change.
