Dear Parents/Carers,

On the **10th October 2017 from 5pm until 8pm** we will be holding a consultation evening for parents of students in years 9, 10 and 11. The evening will be an opportunity to discuss progress of students in their non-core subjects. There will be an additional evening later in the autumn term for English, Maths and Science.

The evening will give parents/carers an idea of how well their child is settling in to their new subjects. This is also an important opportunity to identify any issues early on in the academic year and to discuss how students can improve.

Parents can book their appointments online by visiting the Pupil Reward Points website, if you are unable to access the website please contact main reception. If you are unable to access a computer I will provide a paper appointment sheet. Meetings should take no longer than five minutes. Meetings will be held in the main hall, please sign in via the foyer at the bottom of the stairway to the Maths department.

The lower school playground will be open from 4.45pm for parents to park on.

I look forward to seeing you on the **10th of October** for this important evening.

Kind regards,

Mr J Williams
