November 2017

Dear Parent/Carer

To help cover the costs of materials used in GCSE Product Design we are requesting a voluntary contribution of £10.00 from each student. This will allow your child to take ownership of the product they are making and enable them to take their project home once complete.

The preferred method of payment is by secure on-line ParentPay using your debit or credit card, your ParentPay user name and password. Place the reply slip below in an envelope marked with your child's name and tutor group, this should then be handed in to Student Reception.

Thank you for your support with this matter.

Yours faithfully

Mrs E Turner

Head of Department
