Dear Parent/Carer

## Half term revision

During the half term break we will be holding a number of revision sessions in a range of GCSE subjects. Every student has the opportunity to attend these sessions, but if your son/daughter has been requested by a teacher to attend, then it means that the subject teacher feels the revision session would be particularly useful for them.

At this stage in the year, these revision sessions are of vital importance and will make a significant difference to a student's outcomes. We hope that students and their parents will be extremely keen for them to attend as many sessions as possible. If your son/daughter is unable to attend, then I hope that they will be devoting quality time to revision over the half term holiday.

Please take note of the following;

- All sessions will run from 10:00-14:00
- Students will need to bring food with them
- Students must enter via the main reception or the roses gate by Hatfield Grove and sign in with their teacher
- Students cannot leave the site during the session unless for an emergency
- Students can wear non-school uniform
- English, Maths, French and Science sessions are for Y11 students only, all others are open to years 9-11
- 

Please find the time table of subject's revision sessions at the bottom of this page and fill out the reply slip indicating which sessions your son/daughter will be attending.

Thank you in advance for your support in ensuring your son/daughter can benefit from these revision sessions.

Yours faithfully

Mr J Williams
