Winter 2017

Dear Parents/Carers

SKI AFTERNOONS AT BRENTWOOD

Hylands Ski Club is running another afternoon of skiing at Brentwood Ski Centre on Saturdays 9th and 16th December 2017 from approximately 12:00 pm until 3:30 pm. This is aimed at any students who would like to learn or improve the skill of downhill skiing. There are 10 places available. Students can attend one or both sessions.

Students need to have long socks, thick trousers (not leggings), a waterproof top and gloves/mitts. Helmets are hired on the day at the Centre – free of charge. They also need to bring some food and drink.

The cost of this opportunity is an instruction charge of £30.00 to be paid on the day. This is a special ‘Hylands’ rate that has been agreed with the staff of Brentwood Ski Centre.

I hope that if your son/daughter comes to Brentwood and enjoys their skiing, it is a great opportunity to hone their existing skiing skills or to learn the basics in order that they could join us on further skiing activities that we are planning.

Yours faithfully

Mr M McMinn
Ski Instructor
