

Dear Parents/Carers

Years 9 and 10 Options Evening

We would like to invite you to the Year 9 and 10 Options Evening on **Thursday 19th April** from 18:00 until 19:30.

For parents of students in year 10 the evening will commence at 18:00 with the opportunity to discuss the GCSE option subjects with the teaching staff from each department. This will be followed by a talk from Mr Parry, our Headteacher, in the main hall at 18:30. This will introduce you to the options process. After the talk, you and your child will have additional time to speak to department staff until the evening ends at 19:30.

Please note for parents of year 9 students the information talk will start at 18.00 in the main hall.

You will be provided with an options booklet by email in preparation for the evening. It will be to your advantage if you have a chance to read through the booklet with your child before the evening takes place. Any questions you may have can then be answered by staff on the evening. Students will also be informed about Options Evening and the options process in assemblies this week.

Parents and students always find this a really useful evening to help them make informed decisions about subjects to study at GCSE.

We look forward to seeing you then.

Yours faithfully

Mr J Williams
Key stage four coordinator
