November 2017

Dear Parent/Carer,

### **Year 11 Support Programme**

I would like to take this opportunity to inform you of the launch of the year 11 Support Programme for 2017/18.

Support sessions take place during tutor, lunch times and in after school sessions. The programme is now fully up and running. All after school support sessions will finish at 4.15pm. Support may take the form of re-teaching areas that are most challenging, revising key topics, improving assessed work or practising exam techniques.

Teachers will inform students and their parents if they are required to attend a support session. If your child has been asked to attend a support session it is vital that they take up this valuable opportunity. Attendance at these session is expected and we need your support as parents to ensure students attend.

If your child has not been invited to attend a support and they feel they would benefit from attending they will be made very welcome by the subject teacher.

Students have been given a 'Support Session Reward Card.' Attendance at any support session will gain students points that will go towards an inter-tutor competition as well as being able to jump the lunch queue to attend a session.

I know that pupils who attend extra support make excellent progress in their GCSEs. Please encourage your child to take up this valuable resource that is on offer to them. Together we can ensure that all pupils at Hylands achieve to the very best of their ability.

If you have any queries or concerns please do not hesitate to contact me.

Yours sincerely,

Mr J Williams

Key Stage Four Coordinator
