Autumn 2016

Dear Parents/Carers

We are hoping to run another ski trip to Europe next winter, during half term.

At present, I am considering current prices for travel, accommodation etc and we have two main options:

- A trip of approximately 8 days for about £795/£845
- A shorter trip at approximately £475-£550

We will take a small number of keen skiers and hope to do activities such as skiing, walking and sightseeing. This trip is very suitable if you son/daughter has never skied, but is also for those who have skiing experience.

To register your son/daughter's interest, please complete and return the slip below, whereupon I will provide you with further details.

Yours faithfully

M McMinn
Trip Co-ordinator
