8<sup>th</sup> February 2017

Dear Parents/Carers

**RE: Science Support**

I would like to make you aware of the support sessions Science are providing to ensure that all of our students achieve the best possible grades in their Science qualifications.

As I am sure you are aware, the year 11s are sitting their GCSE Additional Science examinations in the summer term. This will involve them sitting 2 papers, which will combine Biology, Chemistry and Physics. The exams will be on the following dates: AS1 – 9<sup>th</sup> June; AS2 – 16<sup>th</sup> June.

The Science department will be running support sessions every Monday after school from 3 – 4pm. There will be at least 3 members of the Science team who will be able to assist and support students in all of these sessions to make sure we can help students revise and prepare carefully for these important exams.

We are also planning a half-term ‘**Exam Preparation Day**’ on Friday 17<sup>th</sup> February from 10am – 2pm. Please complete the attached form and return to me if you wish for your son/daughter to attend.

Our aim in science is for all pupils to exceed their potential; with your support I hope this will be possible. If you have any questions, please do not hesitate to contact me by phone or email: [shughes@hylands-tkat.org](mailto:shughes@hylands-tkat.org)

Thank you for your continued support.

Yours faithfully

Mr S Hughes  
Head of Science
