15th November 2016

Dear Parents/Carers

Parents Voice

At Hylands School we currently run a Parents Voice, this is a meeting that happens every term to enable parents to ask questions, discuss changes and policies and contribute to school improvement.

In previous years these meetings have been held by one of the schools SLT members. This year the schools PTA will be taking the chair of parents voice; placing it as a standing item in their PTA meetings.

This will allow all parents to discuss issues in the school and drive improvements through the PTA in the first instance. Mr Thorpe will be meeting with the chair of the PTA, Helen Hillstead in the week following the PTA's meeting.

If you wish to get involved and attend these meetings the next PTA meeting is on Wednesday 7th December 2016 and will be held in the conference room at the school. If you are unable to attend this meeting but would like something raised please email the PTA at hylandspta@hylands-tkat.org

Your faithfully

Mr T Thorpe
Headteacher
