Autumn 2016

Dear Parents/Carers

We are hoping to run another ski trip to Europe next winter (approximately 8 days at a cost of £850).

We will take a small number of keen skiers and hope to do activities such as skiing, walking and sightseeing. This trip is very suitable if you son/daughter has never skied, but is also for those who have skiing experience.

To register your son/daughter's interest, please complete and return the slip below, whereupon I will provide you with further details.

Yours faithfully

M McMinn
Trip Co-ordinator
